All aircraft rent on a wet hobbs rate unless otherwise noted.

Instructors

Rates range from effective block rate of \$50.00 to \$75.45 based on their qualifications, experience and seniority. See our website for each instructor's rate.

Annual Membership \$350.00 or Monthly Membership \$50.00 per month

* **Inquire about our block rate** -- \$500 or more **non-refundable prepaid block time** includes 10% (cash or check) or 7% (credit or debit card) additional credit on instruction, aircraft rental, and pilot supplies. You will see the block bonus as a credit on your account.

We have been providing quality flight instruction since 1960. We pride ourselves in teaching our students the art of flying **safely** and **proficiently**. Many of our students have gone on to successful aviation careers varying from airline pilots to professional airshow performers. The above rates apply to all pilot courses and also rentals after you get your pilot's license.

Call or email us to schedule your first flying lesson!
