## **JOIN OUR BLOCK CLUB!**

*For a \$500 advance payment you receive \$550 worth of flying time.*

### **RENTAL RATE SAVINGS**

For example, a Citabria that rents for \$126.50 would only cost you just \$115 at the block rate. Blocks can be used for aircraft rentals and dual instruction. Check with the rate sheet for current aircraft rates. Blocks cannot be toward ground school or membership.

### **PURCHASING A BLOCK**

Membership is required at our Reid-Hillview location and is \$50/month. You must be a fully paid up member in good standing; in other words, you must be an active member and your account must not be negative. Block can be purchased for any amount of \$500 or more with a check, cash or credit card. A block account will be established with the purchased amount plus 10% for cash and checks or 7% for credit cards. As your block gets low, come in and purchase another block. No partial blocks.

### **OVERDRAWN BLOCK**

If by chance you overdraw your block, you must pay the amount overdrawn in full before you can purchase another block and receive the block rate. If your block has been overdrawn more than 30 days, you will be charged 2% per month on the overdrawn amount. If your account is negative, you must pay in full before you may resume flying.

### **BLOCK IS NON-REFUNDABLE**

There are NO REFUNDS on block accounts or membership. Blocks can be used for some services and merchandise. Do not buy a block unless you plan to use it all, circumstances permitting. There is no time limit in which the block must be used. It is good indefinitely.

### **OTHER DETAILS**

You may pause or cancel your block account at any time by notifying the office in advance via email. You must re-activate your account prior to resuming flying. If you pay with a credit card through Paperless, you must contact the office to receive the block credit.
